

Dear Sir/Ma'am,

I'm Nithin Suresh, a Certified MERN Stack Developer with 6 months of hands-on experience in MERN stack Development. I hold a Bachelor's in Computer Applications (BCA) from St Thomas College, Pala.

During my 6-month internship at Mentorow, Kochi, I gained hands-on experience in Full Stack development using MongoDB, Express.js, React.js, Node.js. I had the opportunity to work on diverse MERN Stack projects, gaining valuable experience. This hands-on experience allowed me to strengthen my skills in building scalable and responsive web applications. I am confident that my diverse skill set and experience make me a suitable candidate. I am eager to bring my proficiency in JavaScript, MongoDB, React.js, Node.js, HTML, CSS and Express.js, to contribute to your dynamic development team. Also I completed a 1-month internship as a Sales & Marketing Intern at Algorithmia Digitech Pvt Ltd, where I actively contributed to the sales team, showcasing my commitment to learning and adaptability in dynamic work environments.

Enclosed with this letter is my resume for your review. I would be honored to have the opportunity to discuss further how my skills and background align with the needs of your company. I am available at your earliest convenience for an interview and appreciate your consideration. Thank you for considering my application. I look forward to the possibility of contributing to your team and am excited about the prospect of working with Viga Entertainment Technology.

Best Regards,

Nithin Suresh
